BRIEF ABSTRACT OF LETTER.

Recommends the grant as inam of 500 acres of land out
of the Hongavalli Zerkaval in the Hoosurga Taluk or so
much of it as would bear an assessment of Rs 100/-,
whichever is the smaller area, to the Sri Chennakesawaswami
temple at Bagar in the Hoosurga Taluk.

NOTES AND ORDERS.

A brief statement of the facts of the case
may not, perhaps, be out of place.

In consideration of the resumption of certain
inam lands endowed to the temple, the Dy. Commr
recommended in June 1908 the grant of an

Serial No.	
L	additional cash grant of Rs 752/ per annum for the up-keep of the temple Govt in their order no 822-3 & 15 8 08 while noting that the temple, which is a nuzrai institution, was restored at a cost of Rs 8000 from State Funds, observed that it was not possible to sanction any addition to the <u>cash tasdik</u> of the temple and that if suitable lands for being granted as nam were selected & reported, the matter would receive consideration 2 When the Dy Commr. accordingly, recommended that all the assessed lands measuring 589 acres 14 guntas and assessed at Rs 588-8-0 belonging to Kuzunda Kaval village, Kodurga Taluk, may be converted as nam without prejudice to their ownership by their ~~present~~ occupants and granted to the temple, Govt in their letter no 131/ Muz 397-12-2 & 18 7 13, observed that the recommendation practically amounted to the grant of a cash tasdik, which was previously declined to be granted by Govt and that they were prepared to consider any recommendation for the grant of unoccupied assessed or unassessed land as an additional nam to the temple

The present cash
tasdik to the temple
is Rs 42-12-0 per
annum -

Serial No.	3. A petition from one Venkata Krishnaia of Bagur praying for the grant to the temple of suitable lands either under the Kannambadi Reservoir or in any other locality where water facilities exist, was forwarded to the Dy. Commr, Chitalong Distt, for disposal or report, if necessary, in G M. no. 1668/Muz 108-15 & 15-1 16. 4. With reference to both the above communications, the Dy. Commr thinking that grant of lands under the Kaveri channels, as prayed for, may not be practicable, recommends the grant to the temple, as inam, ^{the entire extent} of 500 acres of Kongavalli Forekaval in the Hosurwa Taluk, which the Anantmahal Deptt is reported to be willing to transfer to the Rev. Deptt, or as much of it as would bear an assessment of Rs 100/-, whichever is the smaller area. The Dy Commr states that if his proposal is sanctioned, he will take the necessary steps to have the lands assessed and given out for cultivation on suitable lease for the benefit of the temple and seeks very early orders in the matter. 5 The opinion of the Dharmadarsis

18. ~~It~~ It is seen from the Dy: Commr's letter that a committee has been formed to submit definite proposals regarding the future administration of the Anurith Mahal Kavals and that until the final orders of Govt are passed on the proposals of the Committee, no Kaval lands will be transferred to the Rev. 19. The average rate of assessment viz Rs 0-12-9 per acre will not also, perhaps, enable Govt to fix the ^{exact} extent of land to be granted as inam to the temple.

In June 1908, the Deputy Commissioner, Chitaldurg District, recommended the grant of an additional cash tasdik of Rs.752 per annum for the up-keep of the temple, in consideration of the resumption of Inam lands originally endowed to it. The Government while declining to sanction the recommendation, observed that they would consider any recommendation for the grant of suitable lands as Inam. With reference to your letter No. 131/Muz.397-12-2

No. 1003 dated 9th December 1915 from Shanbhog Venkatakrishniah of
Bagur in the Hosdrug Taluk praying for the grant of suitable lands
as inam to the Sri Chennakeshavaswami temple at Bagur, I have the
honor to state that no suitable wet lands are available in the
neighbourhood and I presume the grant of lands under the Kaveri
Channels as prayed for by the petitioner is not practicable. I
am of opinion that some unassessed and unoccupied lands in the
Hosdrug Taluk may be granted as an additional inam to the temple.
It is understood that the Amrut Mahal Department is willing to
transfer to the Revenue Department an extent of 500 acres in the
Kongavalli Torekaval in the Hosdrug Taluk for disposal for cultiva-
tion and I would recommend that the whole of this or so much of
the aforesaid kaval lands as would bear an assessment of Rs 100
whichever is the smaller area may be granted as an additional inam
to the aforesaid temple in fulfilment of the promise held out in
the concluding portion of para 1 of your letter No. 131/Muz.397-12-2
dated 18th July 1913. If the Government be pleased to accord
sanction to this proposal, necessary steps will be taken to have

the kaval lands assessed and given out for cultivation on

possible from the lands in question.

Early orders are solicited in this matter as darkhasts

cannot be indefinitely delayed.

With reference to your letter No. 2739/Muz. 425-16-2 dated 15th May 1917, I have the honor to state that the highest and the lowest rates of assessments on dry lands in the neighbourhood of the Kongavalli Kore Kaval land in question are Rs 1-5-0 and Re 0-4-6 respectively, and that the average rate of assessment will therefore be Re 0-11-0 per acre roughly.

The Superintendent of Muzrai Mahal Department in his letter No. 9 dated 4th July 1916 intimated that some portions of certain Muzrai Mahal Kavals in the District including 500 acres and 29 guntas of the Kongavalli Kore Kaval would be made available for cultivation. Thereupon recommendation was made in this office C.No. 21 Muz of 16-17 dated 10th January 1917 regarding the granting of these lands to the temple in question. But the Superintendent of Muzrai Mahal Department in his letter No. 341 dated 30th January 1917 stated that the Government have formed a committee to submit definite proposals regarding the future administration of the Muzrai Mahal Kavals and that until the final orders of Government are passed on the proposals of the committee, no kaval lands could be transferred to the Revenue Department. In June 1908, the Dy. Order No. 455-59—Muz. 422-16-8, dated 6th August, 1918.

The Deputy Commissioner, Chitaldrug District, recommended in June 1908 that an additional cash tasdik of Rs 752 per annum may be granted for the upkeep of the temple in consideration of the resumption of inam lands originally endowed to the institution. In then Order No 822-3, dated 25th August 1908 the Government observed that as the temple, which was a Muzai Institution, was restored at a cost of Rs 8,000 from State funds it was not possible to sanction any addition to the cash Tasdik of the Institution, but that they will be prepared to consider any recommendation for the grant of suitable lands as Inam.

2. In January 1913 the Deputy Commissioner again recommended that an extent of occupied lands in Nigunda Kaval village, Hosdurga Taluk, may be granted as inam to the temple without prejudice to the existing occupancy. The Government declined to sanction the same as it would practically amount to the grant of a cash Tasdik but informed the Deputy Commissioner that a recommendation may be sent up for the grant of unoccupied or assessed land as an additional inam to the temple.

3. The Deputy Commissioner now reports that Government in their Order No R 3087-9—L. R 443-16-11, dated 21st September 1917, have directed the transfer of certain portions of Amrut Mahal Kavals including an extent of 500 acres 29 guntas of Kongavalli Torekaval to the Revenue Department for being thrown open for cultivation and requests that 500 acres and 29 guntas of Kongavalli Torekaval for such extent as would bear an assessment of Rs 100, whichever is the smaller area may be granted as an additional inam to the temple. The Revenue Commissioner has no objection to the Deputy Commissioner's proposal.

4. Under the special circumstances of the case, Government are prepared to sanction out of the lands of the Kaval, an extent which will carry an assessment of Rs. 100 per annum, as additional Devadaya Inam for the support of the temple. Final orders will be issued after the lands are subdivided, and assessed, and on receipt of a report from the Deputy Commissioner regarding the actual survey numbers and extent which are to be so made over to the temple.
